Ben – Based on the email below I just wanted to see if for Region 9 you are looking for our Acting Comptroller (Serena) to be contacting you regarding deployments? I had been thinking that Barbara Lee was coordinating with Christine Portillos. If you want us to make a change we can do that.

Colleagues,

It has come to my attention that some of you are deploying resources to Region 8 at the request of headquarters to support the spill response effort. I believe our comptrollers have already spoken regarding this situation, but I wanted to reach out to you and let you know that if you have a deployment please have your comptroller contact Ben Bielenberg (R8 comptroller) to work out the time and travel details.

Thanks.

Rick
